Sundays

8:45 am - Noon

**At St. Charles Parish
in the 3K Classroom
(next to women's restroom)**

**The program is for
Preschoolers walking - age five**

For more information, or to register your child,
call Nancy Neuser 262-719-0067.

Greetings!

Welcome to our Parish 'Little Lambs' Program. Here you will find a group of people committed to caring for your children in a safe and activity-filled environment.

Our Little Lambs staff is made up of Parish volunteers who genuinely care for children. The information in this booklet seeks to answer any questions you may have.

Thank you for entrusting your precious child to our care.

It is our desire that you give your full and complete attention to the worship of God, knowing that your child is being well cared for.

St Charles Little Lambs Guidelines for Parents

1. Parents must fill out a Registration Form for all children in the Little Lambs Program. This only needs to be filled out once.
2. Each time a child is left at Little Lambs, parents must sign-in the child with all pertinent information on the sign-in sheet. This information will help the volunteers give your child the best possible care.
3. Parents are to wait in line to drop off and pick up children. This is to prevent children from dashing out and to avoid congestion.
4. All personal belongings must be labeled with your child's name.
5. Children are given a snack while at Little Lambs, unless the parent indicates otherwise.
6. Volunteers are not permitted to change diapers during your child's time at Little Lambs.
7. If your child is crying uncontrollably when you leave him/her please check back in 15 minutes to determine whether he/she needs you. We also have a system to call you on your cell phone. Please leave your phone on 'vibrate' mode during mass and we will call if needed.
8. Please take your potty trained child to the restroom before entering the room.
9. For the protection of all, sick children will not be permitted in the Little Lambs Program.
10. We encourage your children to participate in the Little Lambs Program often. Your child will be well cared for, and if participating often, he/she will begin to feel right at home during the service.
